Getting to school	Montemayor has a good bus network with Cordoba. http://www.autocarescarrera.es/lineas-regulares/horarios The ticket price is around 2€. There are many teachers who live in Cordoba and the assistants can make arrangements with them to commute. If you choose to live in Montemayor, you can easily walk to the school.
Accommodation - Where to live in town? - Possibility of staying with a family? - Possibility of sharing a flat with teachers?	Montemayor is a village of about 3,800 habitants 30 km from Cordoba, the capital of the province. In the village there are flats to rent, but the offer is scarce and it is not easy to find people to share a flat with. Prices are not very high and it is possible to rent for around 250-300 euros per month.

Junta de Andalucía

	All the previous assistants have lived in Cordoba, a city that offers them more services in line with their expectations and where they can easily share a flat with people of their age, usually university students. In Cordoba, the average price for a shared flat could be around 250 euros a month per person. The vast majority of the school's teaching staff do not live in Montemayor and those who live here do so with their families. Teachers who come from further away than from Montemayor usually prefer to live in Cordoba or the neighbouring towns of Fernán-Núñez or Montilla.
